

Greetings from us all at Waveney Heritage

Well, this has all put the cat among the pigeons, hasn't it? Firstly, I hope that you are all keeping well and not too bored. What a golden opportunity for catching up on reading, gardening and the dreaded Spring cleaning. In my case I have no excuse for not following up the reasons for the startling business rate demand we received a couple of weeks ago.

We have been in contact with various persons and bodies. It seems that we need to approach the problem in several different ways: -

- 1) Establish whether we can appeal the rateable value of the building. We are not sure when this was set or on what the valuation was based.
- 2) Try to raise extra funds to cover the annual bill of just over £1,600
- 3) Get advice and support from those in the know!
- 4) Generate publicity.

We are doing all of the above!

In the meantime, at least the weather is improving, the evenings are lighter, the birds are singing and all the spring flowers are looking beautiful. We're so lucky to live in this lovely, relatively uncrowded and friendly part of the world. The very best of luck to you all and we look forward to seeing you again when it's all over.

Mary, Robin, Margaret and Jill
